CONSENT AGREEMENT FOR PROBATION

The Massachusetts Board of Registration in Nursing (Board) and Carl Edwin Ridgway (Licensee), a Registered Nurse (RN) licensed by the Board, License No. RN2261450, do hereby stipulate and agree that the following information shall be entered into and become a permanent part of the Licensee's record maintained by the Board:

1. The Licensee acknowledges that a complaint has been filed with the Board against his Massachusetts Registered Nurse license (license<sup>1</sup>) related to the conduct set forth in paragraph 2, identified as Docket No. NUR-2014-0043 (the Complaint).
2. The Licensee admits that while employed as a Registered Nurse in the Emergency Department at Nantucket Cottage Hospital in Nantucket, MA, on or about January 28, 2014, he used inappropriate physical restraint while responding to an intoxicated and violent patient. The Licensee acknowledges that his conduct constitutes failure to comply with the Board's Standards of Conduct at 244 Code of Massachusetts Regulations (CMR) 9.03(5), (15), (24), (43), and (47) and warrants disciplinary action by the Board under Massachusetts General Laws (G.L.) 3. The Board acknowledges that the Licensee remediated his practice by his successful completion of continuing nursing education courses. The Licensee agrees that his nursing license shall be placed on **PROBATION** for no less than one (1) year (Probationary Period), commencing with the date on which the Board signs this Agreement (Effective Date).
4. During the Probationary Period, the Licensee further agrees that he shall comply with all of the following requirements to the Board's satisfaction:

<sup>2</sup> The Licensee must receive direct supervision from a licensed nurse who must have at least one (1) year of clinical nursing practice experience, no open complaints, no past discipline of the nurse's license, and who is physically located at all times in each facility in which the Licensee practices nursing.

<sup>3</sup> The Licensee is responsible for ensuring that these reports on the required form are received by the Board commencing ninety (90) days after the Effective Date and on the first day of every third month thereafter.

<sup>4</sup> The Board may take action under paragraph 7 in the event that the reports reveal a practice issue which the Board deems significant.

6. If the Licensee has complied to the Board's satisfaction with all the requirements contained in this Agreement, the Probationary Period will terminate one (1) year after the Effective Date upon written notice to the Licensee from the Board.<sup>5</sup>

The Licensee agrees that if the Board suspends his nursing license in accordance with Paragraph 7, he will immediately return his current Massachusetts license to practice as a Registered Nurse to the Board, by hand or certified mail. The Licensee further agrees that upon said suspension, he will no longer be authorized to engage in the practice of nursing in the Commonwealth of Massachusetts and shall not in any way represent himself as a Registered Nurse until such time as the Board reinstates his nursing license or right to renew such license.<sup>7</sup>

---

<sup>5</sup> In all instances where this Agreement specifies written notice to the Licensee from the Board, such notice shall be sent to the Licensee's address of record.

<sup>6</sup> The term "Subsequent Complaint" applies to a complaint opened after the Effective Date, which (1) alleges that the Licensee engaged in conduct that violates Board statutes or regulations, and (2) is substantiated by evidence, as determined following the complaint investigation during which the Licensee shall have an opportunity to respond.

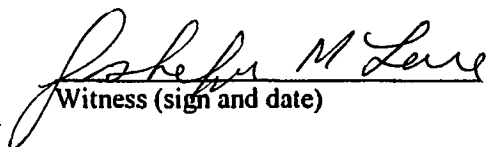

<sup>7</sup> Any evidence of unlicensed practice or misrepresentation as a Registered Nurse after the Board has notified the Licensee of his license suspension shall be grounds for further disciplinary action by the Board and the Board's referral of the matter to the appropriate law enforcement authorities for prosecution, as set forth in G.L. c. 112, §§ 65 and 80.
